Tutoring of Logan is owned and operated by Jonathan Bradshaw. It has been a lifelong dream of Bradshaw to be able to own his own business and help people at the same time. Bradshaw feels that Club Z! gives him the opportunity to succeed as a franchise owner and gives back to the community he loves, Logan. His experience coupled with his love of children makes him the perfect fit as a Club Z! franchise owner. Adds Bradshaw:

Club Z! Tutoring of Logan tutors are all highly qualified, professional educators who are passionate about education. In addition, all Club Z! tutors are thoroughly screened and background checked prior to hire, and students are carefully matched to a Club Z! tutor using the company's proven Z! Tutor Match process. The Z! Tutor Match is based on academic qualifications, personality traits, and other factors that help foster student success. Club Z! even offers a 100% satisfaction Z! Guarantee backing their tutor match. And each student receives a customized learning plan, based on his/her academic goals, timeframe, and level of current achievement, which is implemented using the student's classroom curriculum or one of Club Z!'s proprietary curriculum options. Here is what one of Mr. Bradshaw's clients had to say:

"Club Z Tutors are highly skilled, friendly and able to handle my child's behavior. Homework time is not the stress that it was because my child is able to get the right help that he needs when he needs it. It's only been a couple of weeks, but grades are already improving and I couldn't be happier!" Leah H. Smithfield, UT

Mr. Bradshaw is particularly excited to bring Club Z!'s proven SAT and ACT test prep programs to Logan families, having firsthand experience with the intensely competitive nature of college admissions. That is why he is especially confident in the company's Z! Prep Score Booster, its SAT and ACT diagnostic test and study tool. Club Z! Tutoring of Logan is offering all Logan families a free 30 day trial of the Score Booster program, now through November 30.

“Students will receive instant feedback on their test performance, including videos with top notch tutors demonstrating the correct way to answer each and every question on each and every test. In addition, students will get 30 days of access to our Z Prep! Online study tools, which include video modules for topics ranging from linear equations to solving word problems. The Score Booster has had a tremendous impact on our students’ results for test prep, with average gains of 200 points on the SAT and 4-5 points on the ACT, and we’re excited for our local families to try it out.”
