

# RESERVEEC Announces Strategic Partnership with OpenEdge

*By forming a strategic partnership that is unique and industry defining, RESERVEEC and OpenEdge will enable small businesses to reduce credit card costs.*

TAMPA, FLORIDA, USA, October 1, 2019 /EINPresswire.com/ -- [RESERVEEC](#), an activities booking software company, announced today its strategic partnership with [OpenEdge](#), an integrated payments division of [Global Payments](#).

Through this partnership, RESERVEEC will be in a position to offer its clients an innovative integrated solution for processing credit card payments for online reservations. By leveraging the OpenEdge Rapid Activation Application, RESERVEEC will be able to accelerate the on-boarding process.

"As we prepare for an industry defining solution to help tour, rental and charter operators minimize e-commerce costs, our partnership with OpenEdge will allow us to be a distinctive software provider in the market place," said Mike Harley, president of RESERVEEC. "We are thrilled to work with OpenEdge to deliver real savings to our clients."

In addition, RESERVEEC is currently re-branding its fully-integrated mobile app which is expected to be released later this year. "With the tours and activities space currently estimated at more than \$135 billion, and growing so rapid the research companies struggle to keep up, we are eager to share decades of experience by helping small businesses adapt to the mobile moment," Harley stated.

“

As the integrated payments division of Global Payments, OpenEdge serves more than 2,000 technology partners across 60 industry verticals throughout the United States and Canada.”

*OpenEdge spokesperson*

#### About RESERVEEC:

RESERVEEC was formed to provide reservations software specifically for the tour, rental and charter industry. RESERVEEC leverages its proprietary technology, including an integrated mobile app, for a wide variety of activity

operators to boost and manage bookings directly on its company website and social channels.
