Chocolate Confectionery Market - 2019-2025

Report Description:

Chocolate confectionery increased slightly faster in 2018 compared with 2017 in both current value and volume terms. Countlines are generally positioned as snacks, and this category was a key source of growth, since it generated more frequent purchases compared with boxed assortments, which are typically targeted towards people purchasing gifts. Being an accessible indulgence, chocolate confectionery is likely to continue to be purchased as a personal treat or a gift for loved ones.
