David believes that weddings are wonderful celebrations of love, [family and culture](#). Tutera shares “The celebration of love symbolizes the greatness of life, and right now we all need more love in our lives.” He embraces and celebrates the beauty of all women. He designed this line for women to celebrate who they are, and the importance of commanding their inner beauty outward on their wedding day. David is excited to be designing couture gowns that connect to the individual personalities of his brides. Tutera says “A spectacular fit provides confidence, the attention to details with fabrics, beading, appliqués and more adds the personality of each bride to the gown.”

Command Your Inner Beauty”

Grooms have Bespoke for their fashion where they can have custom suits created for them. Now, the David Tutera Atelier line allows brides to have that same made to order attention as well. Tutera has been quoted many times saying “the most important and special fashion a woman will wear in her life is her wedding gown. It's a magical moment and a moment that is surrounded by LOVE.” Tutera has personally designed each gown, selected the fabrics, and researched to see what was missing in the couture bridal fashion world. David's wish is for his bride to “Command Her Inner Beauty” so she can float “Down the Aisle in Style.” The eleven custom designed bridal gowns will be “unveiled” in a private reveal by exclusive appointments only at New York Bridal Fashion Week 2019.
