Scientology Volunteer Ministers:

In 1980, Scientology Founder [L. Ron Hubbard](#) issued an appeal. At that time, Mr. Hubbard wrote, "If one does not like the crime, cruelty, injustice and violence of this society, he can do something about it. He can become a Volunteer Minister and help civilize it, bring it conscience and kindness and love and freedom from travail by instilling into it trust, decency, honesty and tolerance." The Scientology Volunteer Minister Program was then launched. With the support of the [Church of Scientology](#), VMs have been at every major disaster in the world since 9/11. In addition, every day, VMs help neighbors with the little disasters: marriage problems, raising children; study difficulties; getting off drugs, resolving conflicts and more.
