“My experience as a highly driven advocate for healthcare and community justice has instilled a deep sense of passion for serving and protecting California's 44th District,” says Billy. “I care immensely about the people in my community and believe in fairness, life, liberty, and justice for all Americans.”

What sets Billy apart from other candidates, however, is the fact Billy is the first and only American Black in CA's 44th District to speak fluent Spanish. With his particular

campaign focus and issues, this remarkable trait will be critical to his success as Congressman.

“My campaign focuses a great deal on addressing massive misconduct and corruption committed by Prosecutors and dishonest Judges,” states Billy. “Many extreme left-wing State and Federal representatives are jeopardizing DACA and legal immigration by telling undocumented people to come to the U.S. and rush our borders.”

“I completely believe in pro-comprehensive immigration reform and that legitimate asylum seekers who are in serious danger should be allowed to enter the United States,” he continues. “With my ability to speak fluent Spanish, I know I can work with immigrants and communities to ensure their needs are being met.”

Billy's platform also includes:

- Dedication to combating homelessness
- Removing ability for undocumented individuals to vote in elections
- Upholding the California Constitution and Rule of Law to restore Federal And Constitutional rights to U.S. citizens

"If elected, I will push for Anti-Judiciary Corruption Legislation to restore due process to courtrooms, Judges, and Prosecutors," states Billy. "I welcome anyone to contact me personally to further discuss my campaign."
