

# Rhode Island US Navy Veterans Mesothelioma Advocate Now Offers A Free Service Called The 'List' to Assist A Navy Veteran in Rhode Island to Improve Compensation with the Help of Attorney Erik Karst of Karst von Oiste

PROVIDENCE , RHODE ISLAND, USA, October 22, 2019 /EINPresswire.com/ -- The Rhode Island US Navy Veterans Mesothelioma Advocate says, "We are offering to assist a Navy Veteran with mesothelioma anywhere in Rhode Island with a free service we call the list. The 'list' documents how, where, and when a Navy Veteran with mesothelioma was exposed to asbestos. It is this vital information that becomes the basis for mesothelioma compensation, and these facts are incredibly vital as we would like to discuss anytime at 800-714-0303.

"To assist in this process of 'listing' a Navy Veteran's exposure to asbestos we have endorsed the law firm of Karst von Oiste and their managing partner Erik Karst to oversee the development of the list. Erik should also be able to provide the Navy Veteran with an estimate of the value of the financial compensation claim. Frequently these claims or lawsuits could result in the Navy Veteran receiving over a million dollars-especially if the Navy Veteran was assigned to a navy ship's engine room, a nuclear submarine or was required to stay on their ship/submarine while it was undergoing repairs at a shipyard as we would be happy to discuss at 800-714-0303."
