The Tennessee US Navy Veterans Mesothelioma Advocate says, "We are extremely concerned that most US Navy Veterans with mesothelioma and or their family members will never receive the proper compensation settlement outcome. We fear that many US Navy Veterans with mesothelioma will fall for an Internet scheme such as 'no lawsuit needed (which infers-no lawyers needed for a mesothelioma compensation claim)', a federally sponsored mesothelioma

claims center (the federal government sponsors no such thing), and or 'nothing down'-inferring a Navy Veteran is a used car-or a piece of furniture.

"Why do business with unethical law firms if you or loved one has mesothelioma? We have endorsed the law firm of Karst von Oiste and their founding partner Erik Karst because these very honest lawyers put an emphasis on getting their clients the best possible compensation results, and they work overtime for US Navy Veterans with mesothelioma. Before a Navy Veteran with mesothelioma in Tennessee or their family hires a lawyer to assist with a mesothelioma compensation claim please call us anytime at 800-714-0303. It would be an honor to help."
