

Newmarket Driving School Promotes Safe Driving For Ontario Seniors With Senior Driver Assessment & Practice Programs

Tomorrow's Drivers announces its Senior Driver Refresher Course to Ontario seniors, made to equip them with the confidence to drive safe for as long as possible

NEWMARKET, ON, CANADA, September 29, 2019 /EINPresswire.com/ -- Tomorrow's Drivers, the premier driving school in the Newmarket area, is pleased to announce that it offers a Senior Driver Refresher Course.

For more information about the course and driving test practice for seniors, visit

<https://www.tomorrowsdrivers.ca/senior-driving-test-ontario-practice/>

The Senior Driver Refresher Course is recommended for seniors who have either lost their driving license due to an at-fault collision or are older than eighty years old and are due for renewal of their class G driver's license. The course is also geared towards updating driving skills in order to gain good driving habits and be a safe and defensive driver.

To stay a safe driver for life, it is important to receive instruction from a qualified driving instructor. Whether an individual has had an at-fault collision or not, seniors can benefit from understanding how Ontario's traffic laws have changed and how aging can affect their ability to drive.

Tomorrow's Drivers specializes in training beyond just passing a driving test. Since driving is a daily need, Tomorrow's Drivers aims to teach practical knowledge. By strengthening skills, confidence, and mindset, the

Happy senior driver at Tomorrow's Drivers

"Hey guys, I'm Tom, I just want to say
CONGRATULATIONS
 on completing your MTO Approved Course
TOMORROW'S DRIVERS

Let me level with you about something I learned when I took my G2 test.
 Unfortunately, I didn't do the course at Tomorrow's Drivers, and I failed by G2 twice.
 Now, I'm a confident, smart driver for life!
 Today, I am going to share with you some Golden Road Test Rules:
 I wish I had these before I attempted

Referral Bonus - Tomorrow's Drivers, has an amazing referral bonus. Tell all your family friends, and each time someone says your name - you get something back! (Call office for details)

G Lesson Coupon - I know I'm gonna have bad habits so Tomorrow's Drivers offers a \$15.00 discount on my G.
 (Note: G Test - 12 months after G2, plus 15% off)

G2 ROAD TEST TIPS

1. Practice like it's your exam with parents and your instructor.
2. Make scanning obvious you have to move your "head" 2-5 seconds.
3. The law is the law. You can fail for going anything above max speed limit.
4. Stop completely.
5. The best secret I was taught. Take your time. Test is only 10 min.
6. I got caught twice on "yellow" lights. You must anticipate and stop if you can.
7. Practice everything you have been taught, not just driving.
8. Master 3 point turns, parallel parking, reverse parking. I did each over 25 times.
9. Don't tell anyone you have your test book, especially your friends :)
10. I have learned you never really fail. You "Learn" from your fails.

Tomorrow's Drivers G2 Test Tips for Newmarket and Markham Drivers

driving school prepares students for any on-road situation they may encounter in their lives.

Tomorrow's Drivers apply the same approach to training senior drivers. The driving instructor assesses the student's current driving skills and abilities and identifies areas that require specialized driver training. Instructors also consider special health needs so that the student can be a safer and more confident driver. When drivers turn eighty, they are required to renew their license every two years with a mandatory test component. For this reason, it is especially important to be well-prepared.

A key component of the Tomorrow's Drivers method is to help students of all ages develop rock-solid confidence in their driving abilities. The MTO-approved driving school has an unsurpassed 99.5% road test pass rate, but passing the G1, G2, and G tests is only the beginning. Instructors train students far beyond the baseline Ministry requirements.

Tomorrow's Drivers equips people with the positive mindset they need to thrive on the road and works to cure anxieties that influence driving performance. This therapeutic approach transforms nervous drivers into safe, respectful motorists. Having and using the skills taught at Tomorrow's Drivers is vital to making Ontario's roads safer for every motorist.

Tomorrow's Drivers is an innovative driving school that teaches students the knowledge necessary to make good, confident driving decisions. The school offers Ministry-Approved BDE Courses and has an unmatched 99.5% passing ratio. Centrally located in the heart of Newmarket, the classroom is a convenient six-minute drive from the Newmarket Drive Test Centre. The training methods at Tomorrow's Drivers have been honed over several years, and, with over 10,000 successful graduates, the school proudly provides the best driver training in the York Region.
