

Media5 will be at Itancia's 5th Afterworks event tomorrow

QUEBEC, QC, CANADA, September 30, 2019 /EINPresswire.com/ -- Afterworks d'Itancia (5th season)
Paquebot, Port Javel Haut 75 015 Paris, France
October 1st 2019

Media5 has been a proud partner of Itancia since January 2018. This partnership provides the Mediterranean Telecom markets with the reliable Mediatrix VoIP gateways and SBC for Unified Communications."

Sebastien Boyer, global sales director at Media5 Corp.

For the second consecutive year, Media5 will have the honour to participate and sponsor the Itancia Afterworks exhibition. The 2019th edition of this notorious event will be held on a cruise on a single day, where partners and suppliers will be able to exchange with curious and eager Itancia customers looking for products and solutions on [Cloud Telephony](#), Hosted and [Unified Communications](#), and SIP Trunking.

Itancia Afterworks is a unique opportunity to share business communication insights and industry trends, develop networking with European customers and partners, learn in-depth Itancia solutions portfolio and renew acquaintance with its team.

Media5 will bring on the cruise its global well-known Mediatrix [VoIP gateways](#), including small and medium density analog VoIP adaptors and media gateways as well as the all-in-one Sentinel SBCs for pure SIP environments.

Last year, Media5 marked its first participation at Afterworks with the official launch of the Virtuo EMS management and provisioning server. Designed for small and medium service providers, the newly released service allows for Zero-Touch Provisioning (ZTP), server redirection, and remote unit configuration and management, easing deployment with reduced operational costs.
