

New York Mesothelioma Victims Center Now Urges a Construction or Trades Worker with Mesothelioma Anywhere In New York to Call for Direct Access to Attorney Erik Karst of Karst von Oiste-Get Better Compensation

NEW YORK, NEW YORK, USA, October 28, 2019 /EINPresswire.com/ -- The New York Mesothelioma Victims Center is urging a construction or skilled trades worker anywhere in the State of New York with recently diagnosed mesothelioma or their family members to call them anytime at 800-714-0303 for direct access to attorney Erik Karst of the New York based law firm of Karst von Oiste. Attorney Erik Karst and his remarkable colleagues have the goal of making certain their clients with mesothelioma receive the best possible financial compensation results. The lawyers at the law firm of Karst von Oiste are responsible for over a billion dollars in mesothelioma and asbestos exposure financial claims. www.karstvonoste.com/

The New York Mesothelioma Victims Center says, "The two biggest mistakes people with mesothelioma make-especially construction or skilled trades workers make is they underestimate the potential value of their financial compensation claim by hundreds of thousands of dollars and or they impulsively hire an unqualified lawyer to pursue a mesothelioma compensation claim. As we would be happy to discuss anytime at 800-714-0303 you never should hire a car accident attorney to handle a mesothelioma compensation claim."

"To ensure a construction or skilled trades worker with mesothelioma anywhere in New York State receives the very best possible financial compensation settlement results we have teamed up with the law firm of Karst von Oiste to assist a person like this to create vital information

we call the list. The 'list' documents who, where and when a person with mesothelioma was exposed to asbestos and it is this incredibly important information that becomes the basis for a mesothelioma compensation claim as we would like to discuss anytime at 800-714-0303. The lawyers at Karst von Oiste will be able evaluate this information to determine the size of the compensation claim. This is a much, much better deal than a free book or package about mesothelioma."
