In the comedic feature film Mister America (Magnolia Pictures) Terri Parks role as the inexperienced campaign manager, Toni Newman supports Tim Heidecker while he attempts to enter politics. He has convinced the campaign manager, despite being underdogs to take on the popular incumbent. With campaign funds running low GoFundMe sounds like a good idea despite Toni Newman's (Terri Parks) doubts. Trying to connect with voters without experience, connections or money takes the characters on a comedic campaign roller coaster ride.

While working with Tim Heidecker in Mister America, Parks enjoyed the opportunity to flex her comedic skills,
