

Railrecipe- Defining Love for Food Through E-Catering In Train

Online E-catering provide travelers to get their favorite food in train during train journey and RailRecipe is helping them to provide fresh & healthy food for

PATNA, BIHAR, INDIA, October 3, 2019 /EINPresswire.com/ -- Finding opportunities in a scenario, which you have lived by, is the best way to create values for societal benefits. Facing a tragic incident of being served with stale food during train journey was something that gave birth to the whole new service platform, now known as [Railrecipe](#).

We all love food and being an Indian our food is defined by special zayka and the traditional spices which are the essence of all Indian recipes. No one can deny with the fact that we all often are hungrier when we travel. But, we always had to live by the generalized food items which are sold by local vendors across the station and at times in compartments too. RailRecipe started with an aim to offer wider food choices for train travelers and to serve hygienic food in train journey as well.

Railrecipe works on partnership business model and has tie-up with over 500+ restaurants across India. Every traveler who is frequently traveling or planning to travel can book food of their choice via Railrecipe website or on call at 8448440386. Food order via Railrecipe restaurant partners are delivered straight on the berth of the travelers at no extra charges. Food is served in rich and hygienic packaging.
