A new market study, titled "Global Beta blockers Market Professional Survey Report 2019", has been featured on WiseGuyReports.

PUNE, MAHARASTRA, INDIA, October 4, 2019 /EINPresswire.com/ -- [Beta blockers Market](#)

Beta blockers, also written β -blockers, are a class of medications that are predominantly used to manage abnormal heart rhythms, and to protect the heart from a second heart attack (myocardial infarction) after a first heart attack (secondary prevention). They are also widely used to treat high blood pressure (hypertension), although they are no longer the first choice for initial treatment of most patients.

This report focuses on Beta blockers volume and value at global level, regional level and company level. From a global perspective, this report represents overall Beta blockers market size by analyzing historical data and future prospect. For each manufacturer covered, this report analyzes their Beta blockers manufacturing sites, capacity, production, ex-factory price, revenue and market share in global market.

The following manufacturers are covered:

Pfizer
Novartis
Merck
