The Michigan Law Firm, PC has been chosen as one of the Top Car Accident Lawyers serving Detroit for the third year in a row.

BIRMINGHAM, MICHIGAN, USA, October 5, 2019 /EINPresswire.com/ -- We are pleased to announce that [The Michigan Law Firm, PC](#) has been chosen as one of the Top Car Accident Lawyers serving Detroit for the third year in a row. This is an excellent achievement and we'd like to thank all our clients for their continued support this year.

The coveted rating was chosen by Expertise, a company guiding consumers to the best providers in their area. Their research identifies the top service professionals in the U.S. in over 200 different industries through a vigorous selection process.

After identifying a broad pool of active professionals within a given business category and geographical area (in this case 243 Car Accident Lawyers in Detroit), Expertise first analyzes publicly available data before verifying contract and license information to ensure candidates are actively doing business and have a good standing within their respective communities.

They then use dedicated software to grade each business on more than 25 variables across the following five criteria:

- Reputation
- Credibility
- Experience
- Engagement
- Professionalism

After judging against these five key areas, Expertise manually reviews and hand-picks the best of the best to make it into each year's list. From the 154 curated law firms in this year's grading process, only 21 made the final cut.

The Michigan Law Firm, PC would like to thank Expertise for selecting us as one of the best law firms in our field for the third year in a row, and we want to congratulate the rest of the shortlisted lawyers and personal injury law firms on their success.
