RALEIGH, NORTH CAROLINA, UNITED STATES, October 7, 2019 /EINPresswire.com/ -- Axios Investigations Firm (AIF) has a new corporate headquarters building. The move is designed to better cater our growth strategy for 2020. This allows the company to accommodate both our corporate and executive clients who fly all around the world to meet with us. The previous headquarters had some strategic challenges and the company wanted to better serve their clients. The new headquarters allows clients to travel to and from their destinations with ease and a bigger venue provides the ability to assist more clients simultaneously.
