

# Scholarship Opportunity Announced for College Students Interested in Video Communications and Live Streaming

*This \$1,000 scholarship is designed for students interested in the ever-changing fields of both video communications and live streaming.*

DOWNINGTOWN, PA, 19335, October 8, 2019 /EINPresswire.com/ -- PTZOptics®, a live streaming and video production camera manufacturer based in the Phila. suburbs, has announced a \$1,000 scholarship for students interested in video communications. The scholarship is available to students currently enrolled in any U.S.-based college or university. This “2020 Scholarship Program” is designed for students interested in the ever-changing fields of both video communications and live streaming.

PTZOptics Offering \$1,000 2020 College Scholarship

[“Our team understands the value of video communications](#) and the importance of innovative technologies,” says Paul Richards, Director of Business Development, PTZOptics. “That is why we are offering a \$1,000 scholarship to one college student who demonstrates an understanding of how technologies available today will shape the communication of tomorrow. We hope this scholarship will help a student think critically about the full scale of implications and opportunities related to on-demand video communications.”

“

We hope this scholarship will help a student think critically about the full scale of implications and opportunities related to on-demand video communications.”

*Paul Richards, director of business development for PTZOptics*

[Students interested in applying are asked to submit essays](#) between 1,000 and 1,500 words to [pr@ptzoptics.com](mailto:pr@ptzoptics.com). College and university financial aid departments are asked to share the application link at

<https://ptzoptics.com/scholarship>. All submissions must be made by January 10, 2020.
