And each student receives a customized learning plan, based on his/her academic goals, timeframe, and level of current achievement, which is implemented using the student's classroom curriculum or one of Club Z!'s proprietary curriculum options. Here is what one of Ms. Seifert's clients has to say:

"The tutor we have is exceptional! He is invested in our daughter, knowledgeable of the content, and is able to communicate the concepts in a way our daughter can understand. Ask for Carlos if you want a great math tutor! Brenda made it easy for us to set up our desired time and to try a few different tutors before we selected Carlos. She answers questions quickly and is very accommodating. We are thrilled to use Club Z and highly recommend it." Tamera S. Mansfield, TX.

Ms. Seifert is particularly excited to bring Club Z!'s proven SAT and ACT test prep programs to Mansfield families, having firsthand experience with the intensely competitive nature of college admissions. That is why she is especially confident in the company's Z! Prep Score Booster, its SAT and ACT diagnostic test and study tool. Club Z!
