A \$1 Million Deal For Shark Tank's Kevin O'Leary With Boost Oxygen

Boost looks to increase its current 95% share of the market

MILFORD , CT, UNITED STATES, October 8, 2019 /EINPresswire.com/ -- [Boost Oxygen](#) appeared on last night's episode of ABC's 'Shark Tank' to present the background, growth and future opportunities of the product in order to entice a Shark to join the team and contribute further to its growth; did they ever...with a \$1 million deal!

"Getting a million-dollar deal on Shark Tank was super-validating for our business and our concept of portable canned oxygen", says Rob Neuner, CEO / Co-Founder of Boost Oxygen. "It's one of the largest deals in the history of the Shark Tank program and having Kevin O'Leary on board will help showcase to the world the many and truly "wonderful" attributes our Boost Oxygen can provide."

“

Has any other Shark Tank pitching company watched the program from an actual shark tank? Not that we are aware of. It's all about creativity, which fuels our innovative passion.”

Rob Neuner, CEO / Co-Founder

The Boost Oxygen family of innovative products!

As Boost Oxygen continues to be the innovative and worldwide leader in this retail space, that innovation was supported again last night as the company hosted a 'Watch Party' at the Maritime Aquarium at Norwalk, in Connecticut, that features a genuine 'shark tank'! Invitees included employees, family, friends, and key strategic guests such as an Athletic Trainer who implements Boost at his university, the UPS corporate rep and driver, as well as a co-owner of the filler who packs the bottles with the 95% pure oxygen.

Founded in 2007, Boost Oxygen has been the

Boost Oxygen is the only option for 95% pure oxygen in three (3) sizes, with patented mask designs and aromatherapy options with convenient availability at retailers nationwide. The aromatherapy options include Natural (non-scented), Peppermint, Menthol-Eucalyptus and Pink Grapefruit. Early in 2019, a newly launch product called THINK TANK infuses 95% pure oxygen with rosemary. Independent studies show the benefits of rosemary for supporting cognitive brain functions, memory and focus.
