

Biometrics for Border Control will be discussed by Industry leaders and government officials next February in Rome

SMI Reports: The 13th annual Border Security conference is set to take place on 11th – 12th February 2020 in Rome, Italy.

ROME, ITALY, October 8, 2019 /EINPresswire.com/ -- Border Security 2020 will be a high-level conference, bringing together military staff, government figures and key individuals involved in enhancing border security capabilities of nations on a global scale. The conference provides an excellent opportunity to meet with key industry stakeholders and to hear from some of the world's leading individuals.

This year's agenda will include various industry, military and government leaders discussing biometrics for border control.

There will be an early bird saving of £400 for bookings made by 31st October. Interested parties are urged to register and secure their place at www.bordersec-conference.com/EINPR3

[Presentations on Biometrics for Border Control include:](#)

1) 'Facilitating Biometric Identity Services for the US Department of Homeland Security - Operational Look at the Systems/Process of IDENT/HART' by Mr Patrick Nemeth, Director, Identity Operations Division, US Department of Homeland Security

2) 'Effective border risk management at our international airports and the role of emerging technologies specifically facial recognition systems' by Mr Christopher Maston, Port Director,

A promotional poster for the SMI Group's 13th Annual Border Security Conference. The background is a close-up of a person's eye with a futuristic, glowing blue and white digital overlay, suggesting biometric technology. The text is white and orange on a dark blue background. At the top, it reads 'SMI GROUP'S 13TH ANNUAL'. Below that, in large, bold, white letters, is 'BORDER SECURITY'. In the center, there is a horizontal line with several small white squares. Below this, in an orange box, it says '11-12 FEB 2020 Rome, Italy'. At the bottom, in an orange box, is the website 'www.bordersec-conference.com'. Below the poster, the text 'Border Security Conference 2020' is written in white.

Miami International Airport, Customs and Border Protection, US Department of Homeland Security

3) 'U.S. Navy Initiatives for Border Protection at Sea: an overview of the Navy's Identity Dominance System (IDS) and Biometrically Enabled Access Control - Husbanding (BEACH)'
By Mr Mike Jones, Identity Dominance System Technical Lead, Naval Surface Warfare Center Dahlgren Division, US Navy

4) 'Biometrics in Border Control: the Israeli Case' by Ms Yasmin Livne, Director - Policy and Planning, Prime Minister's Office (Israel) - National Cyber Directorate

5) 'Recent Advances in Automated Recognition at the Border' by Mr Marek Rejman-Greene, Director, Identity for Services

6) 'Biometric Exit USA: LH Perspective' by Mr Patrick Sgueglia, Product Manager Regulatory, Lufthansa

7) Panel Discussion: Biometrics and Seamless Travel

- Mr John Vine, Former Chief Inspector of Borders, Borders & Immigration
- Mr Christopher Maston, Port Director, Miami International Airport, Customs and Border Protection, Department of Homeland Security
