

# Larry Paris Releases The Darkened Land

*Readers who love Tolkien and C.S. Lewis won't want to miss novel by Larry Paris*

NEW YORK CITY, NY, USA, October 8, 2019 /EINPresswire.com/ -- Texas author, [Larry Paris](#) has released "The Darkened Land," his publicist announced today. The book is available at Amazon and selective online and traditional bookstores.

Although The Darkened Land is particularly for Christians, it has been compared to the likes of Pilgrim's Progress and works by C.S. Lewis and J.R.R. Tolkien. In the book, Lachlaniel's world is a world of complete darkness, but across the Godwin River there are stones of light.

The writer enlisted his imagination and spiritual background to deliver on an array of emotions. Depicted are vivid realism, fantasy, and poignancy.

"If you try to force (The Darkened Land) into a standard Christian mold, you'll be frustrated," stated reader, David Bergsland. "But its own truth does well. I found it edifying, in a roundabout way. It is certainly more than entertainment."
