Blockchain Expo North America 2019, will be returning to Santa Clara, 13-14th November 2019

SAN JOSE, CA, UNITED STATES , October 9, 2019 /EINPresswire.com/ -- [Blockchain Expo](#) North America 2019, will be returning to Santa Clara, 13-14th November 2019. An opportunity to hear from thought provoking content from a new agenda set up within Blockchain for Enterprises, Blockchain Platforms & Strategies, Fintech & Regulation, Crypto & Digital Asset Investment, Blockchain for Business, Blockchain Technologies, Innovations Zone and our new Convergent Technology Convergence track.

The Blockchain Expo North America 2019 has attracted our finest speakers yet. Experts and leading organisations are joining us to explore the entire Blockchain ecosystem. From industries such as manufacturing, retail, financial services, legal, healthcare, insurance, energy, music, government, real estate and more, Blockchain Expo will divulge into how this technology is disrupting these areas.

Event attendees can expect to meet with over 8,000 + like-minded individuals, 400+ exhibitors such as IBM, Samsung Semiconductor, SAP and Hyperledger in a series of networking opportunities. The Blockchain Expo will also allow you to ask questions to the events 100+ thought leading speakers in Q&A sessions. These speakers include:

- Chris Johnson | Principal Architect | Walmart
- Bob Wolpert | Chair of IBM Food Trust Advisory Council | Golden State Foods
- Dustin Helland | Blockchain Product Strategy & Implementation Manager | State Farm
- Justin Schmidt | Head of Digital Asset Markets, VP | Goldman Sachs
