CALISTOGA, CALIFORNIA, UNITED STATES, October 9, 2019 /EINPresswire.com/ -- The City of Calistoga and Pacific Gas & Electric (PG&E) recently announced plans to install generators to provide power to the City during planned Public Safety Power Shutoff (PSPS) events. In addition, several businesses southwest of the Napa River have installed generators of their own and remain open. Visitors planning a trip to Calistoga are strongly encouraged to contact their hotel directly and Chamber. [VisitCalistoga.com](http://VisitCalistoga.com) with questions.
