Cloud Computing Market, Segments Based on Region

United States

Europe

China

Japan

Southeast Asia

India

Central & South America

FEATURED COMPANY

The cloud computing space is highly competitive with both global and local companies fighting to establish their base in the market. Some of the major companies discussed in this report are,

Amazon Web Services

Microsoft Azure

IBM

Aliyun

Google Cloud Platform

Salesforce

Rackspace

SAP

Oracle

VMware Inc

Dell Inc

EMC

GIANT

Microsoft

WHAT CLOUD COMPUTING MARKET REPORT HAS TO OFFER

This study focuses on the status of worldwide cloud computing, future forecast, opportunities

for development, primary market, and important players. The research goals are to show the growth of cloud computing in the U.S., Europe, and China.
