*A new market study, titled "Global Smart Home Security System Market Professional Survey Report 2019", has been featured on WiseGuyReports.*

PUNE, MAHARASTRA, INDIA, October 10, 2019 /EINPresswire.com/ -- [Smart Home Security System Market](#)

The report covers smart home security system. Connected home security system is a set of integrated systems connects to your home Wi-Fi network so you can monitor and control your security devices using your smartphone and an app. Entry-level systems typically include a couple of door and window sensors, a motion detector, and a hub that communicates with these devices using one or more wireless protocols such as Wi-Fi, Z-Wave, ZigBee, or a proprietary mesh network. You can add extra door, motion, and window sensors to provide coverage for your entire house and build a comprehensive system that includes door locks, garage door openers, indoor and outdoor surveillance cameras, lights, sirens, smoke/CO detectors, water sensors, and more.

The key part of connected home security system is smart hub, smart control panel or central control unit. The hub connects to your router via a wired ethernet connection and infiltrates your airwaves with a signal that the smart home devices respond to. For each manufacturer covered, this report analyzes their Smart Home Security System manufacturing sites, capacity, production, ex-factory price, revenue and market share in global market.

The following manufacturers are covered:

Honeywell  
ADT  
Panasonic  
Samsung  
Vivint
