

The L. Ron Hubbard Theatre Will Present a Pre-Halloween Performance with “Unknown” Story

CLEARWATER, FLORIDA, US, October 10, 2019 /EINPresswire.com/ -- The [L. Ron Hubbard East Coast Theatre](#) will deliver an old-time radio-style performance of the fantasy story, *Danger in the Dark*, at the [Scientology Information Center](#) in downtown Clearwater, on Friday, October 25th at 6:30 pm. There is no cost to attend and light refreshments will be served. All are welcome.

“These performances are one of my favorite things to do,” said Francine, a regular guest. “I feel like I am back in the 40’s.”

Danger in the Dark was written by L. Ron Hubbard in May 1939 and was featured in *Unknown* magazine. *Unknown* was the foremost fantasy publication of its time, and its tales of mythic worlds, inward dimensions and strange journeys to the edge of the light became the model for much of the fantasy.

L. Ron Hubbard:

L. Ron Hubbard was among the most prolific and popular writers of the 20th century. Between 1934 and 1940, some 140 L. Ron Hubbard tales appeared in the pages of legendary pulp magazines—often as many as three titles an issue and bylined under some fifteen pen names. With 19 New York Times bestsellers and more than 350 million copies of his works in circulation, Mr. Hubbard is among the most acclaimed and widely read authors of our time.

Hubbard's fantasy, *Danger in the Dark* concerns fortune hunter Billy Newman. Newman is not a man of physical strength or great courage—he gets by on his wit, wiles and good looks. And he's had quite a good run—striking gold in the Philippines and buying his very own island in the South Seas. But there's trouble in paradise. Suddenly, the entire island's crops are failing and the people are dying. Now Billy's only hope to save his island is to muster up enough courage to face the very real *Danger in the Dark*.
