REGION WISE MARKET ANALYSIS

During the forecast period, the European region is expected to be the fastest-growing region on the industrial hemp market due to increased consumption of hemp plants as food as well as their broad use in other food products such as smoothies, yoghurt, cereals and bars. Also, it is anticipated that the growing legalization of Industrial Hemp in the European region will increase the industrial hemp market in the coming years.

Due to the rising geriatric population and growing concerns about skin diseases and UV protection that are supposed to drive the region's personal care industry demand for hemp oil, North America market is on the rise.

Asia Pacific is a quickly growing region in the production of biodegradable textiles for consumer and industrial applications due to increased fibre consumption. It is anticipated that the presence of significant provider nations including China, India, Australia and South Korea will have a beneficial effect on regional development

SEGMENTS AND CLASSIFICATION

The overall hemp market is classified into three sections based on product, end-user and region.

1) Segments in Global Hemp Market Based on Product

- Hemp Seeds
- Hemp Oil
- Hemp Protein
- Soft Gel Caps

2) Segments in Global Hemp Market Based on End-user

- Supermarkets
- Convenience Stores
- Others

3) Segments in Global Hemp Market Based on Region

- United States
- Canada
- Mexico
- China
- India
- Japan
- South Korea
- Australia
- Indonesia
- Singapore
- Malaysia
- Philippines

Thailand
Vietnam
Germany
France
UK
Italy
Spain
Russia
Brazil
Rest of Central & South America
GCC Countries
Turkey
Egypt
South Africa

FEATURED COMPANY

Some of the major players in the hemp market discussed in this report are,

Manitoba Harvest
CW Hemp/CW Botanicals
Aphria
Canopy Growth Corporation
Nutiva
Agropro
CV Sciences
Isodiol
ENDOCA
Jinzhou Qiaopai Biotech
North American Hemp & Grain Co
Yunnan Industrial Hemp
GFR Ingredients Inc
Hempco
Yishutang
Naturally Splendid
BAFA neu GmbH
Aos Products
Suyash Herbs

WHAT THE REPORT HAS TO OFFER

This study analyzes Hemp's worldwide market size in important areas such as North America, Europe, Asia Pacific, Central & South America, and Middle East & Africa, focusing on Hemp production. This report analyzes the top players/brands, area, type and end customer categorizes of the worldwide Hemp market. This study also looks at the worldwide market status of Hemp, competitive landscape, market share, growth rate, future trends, market drivers, possibilities and difficulties, marketing channels and distributors

2. GLOBAL HEMP SEED OIL MARKET

Global Hemp Seed Oil Market Report 2019 - Market Size, Share, Price, Trend and Forecast is a professional and in-depth study on the current state of the global Hemp Seed Oil industry.

The global market size of Hemp Seed Oil is \$XX million in 2018 with XX CAGR from 2014 to 2018, and it is expected to reach \$XX million by the end of 2024 with a CAGR of XX% from 2019 to 2024.

The key insights of the report:

1.The report provides key statistics on the market status of the Hemp Seed Oil manufacturers and is a valuable source of guidance and direction for companies and individuals interested in

the industry.

2.The report provides a basic overview of the industry including its definition, applications and manufacturing technology.

3.The report presents the company profile, product specifications, capacity, production value, and 2013-2018 market shares for key vendors.

4.The total market is further divided by company, by country, and by application/type for the competitive landscape analysis.

5.The report estimates 2019-2024 market development trends of Hemp Seed Oil industry.

6.Analysis of upstream raw materials, downstream demand, and current market dynamics is also carried out

7.The report makes some important proposals for a new project of Hemp Seed Oil Industry before evaluating its feasibility.

For product type segment, this report listed main product type of Hemp Seed Oil market

* Food Grade

* Pharmaceutical Grade

For end use/application segment, this report focuses on the status and outlook for key applications. End users are also listed.

* Food

* Cosmetic

* Pharmaceutical

* Other

3. GLOBAL INDUSTRIAL HEMP MARKET

Global Industrial Hemp Market Report 2019 - Market Size, Share, Price, Trend and Forecast is a professional and in-depth study on the current state of the global Industrial Hemp industry.

The global market size of Industrial Hemp is \$XX million in 2018 with XX CAGR from 2014 to 2018, and it is expected to reach \$XX million by the end of 2024 with a CAGR of XX% from 2019 to 2024.

The key insights of the report:

1.The report provides key statistics on the market status of the Industrial Hemp manufacturers and is a valuable source of guidance and direction for companies and individuals interested in the industry.

2.The report provides a basic overview of the industry including its definition, applications and manufacturing technology.

- 3.The report presents the company profile, product specifications, capacity, production value, and 2013-2018 market shares for key vendors.
- 4.The total market is further divided by company, by country, and by application/type for the competitive landscape analysis.
- 5.The report estimates 2019-2024 market development trends of Industrial Hemp industry.
- 6.Analysis of upstream raw materials, downstream demand, and current market dynamics is also carried out
- 7.The report makes some important proposals for a new project of Industrial Hemp Industry before evaluating its feasibility.

For product type segment, this report listed main product type of Industrial Hemp market

- * Pharmaceutical Grade
- * Food Grade
- * Industrial Grade

For end use/application segment, this report focuses on the status and outlook for key applications. End users are also listed.

- * Application I
- * Application II
- * Application III

5. GLOBAL HEMP BLAST FIBER MARKET

Global Hemp Blast Fiber Market Report 2019 - Market Size, Share, Price, Trend and Forecast is a professional and in-depth study on the current state of the global Hemp Blast Fiber industry.

The global market size of Hemp Blast Fiber is \$XX million in 2018 with XX CAGR from 2014 to 2018, and it is expected to reach \$XX million by the end of 2024 with a CAGR of XX% from 2019 to 2024.

The key insights of the report:

- 1.The report provides key statistics on the market status of the Hemp Blast Fiber manufacturers and is a valuable source of guidance and direction for companies and individuals interested in the industry.
- 2.The report provides a basic overview of the industry including its definition, applications and manufacturing technology.
- 3.The report presents the company profile, product specifications, capacity, production value, and 2013-2018 market shares for key vendors.
- 4.The total market is further divided by company, by country, and by application/type for the

competitive landscape analysis.

5.The report estimates 2019-2024 market development trends of Hemp Blast Fiber industry.

6.Analysis of upstream raw materials, downstream demand, and current market dynamics is also carried out

7.The report makes some important proposals for a new project of Hemp Blast Fiber Industry before evaluating its feasibility.

For product type segment, this report listed main product type of Hemp Blast Fiber market

- * High Wood Percentage
- * Low Wood Percentage

For end use/application segment, this report focuses on the status and outlook for key applications. End users sre also listed.

- * Textiles
- * Composite materials
- * Pulp& Paper
- * Others
