"A San Carlos office is a natural next step for Media [Services Global](#) as it brings us close to our United States customers. It also brings us closer to our west coast customers and partners," says Media Services Global CEO David B. "Enterprises are adopting online reputation more than ever in the United States, which also creates the need for us to expand our presence."

Media Services Global increased presence in San Carlos solidifies its commitment to solving "Online Reputation" for global and multinational businesses that need it most. The San Carlos office paves the way for MSG to adapt and scale more quickly for its U.S.-based users and the increasing demand it's seeing from Fortune 500 companies.

"At Media Services Global, we pride ourselves on offering a product that naturally integrates into our customers' daily routines and makes their work lives easier," says Kurt Carrero" Our team is dedicated to helping our large clients adopt and utilize Media Services Global in the best possible way and being close to our U.S. customers and partners will ensure an even smoother customer experience." Mentioned Kurt (Enterprise Sales Representative)

Media services global customers include customers all across the United States, as well as widely recognized global consumer brands. MSG continues to rapidly grow, quadrupling new revenue and doubling its staff in just the past year.

"I am very impressed by our United States team, our online reputation product, and our existing customer base," says David.

With the U.S.A online market set to grow to over 80 billion dollars this year alone, Media Services Global expansion effort immensely broadens its operations.
