*Katy-based real estate team earns its fifth straight Pulse Award by providing excellent customer service.*

KATY, TEXAS, UNITED STATES, October 14, 2019 /EINPresswire.com/ -- [Liz Carter & Team Realty, Inc.](#) has just received its fifth consecutive Pulse of the City News Customer Satisfaction Award for providing an outstanding experience to home sellers and buyers.

The [real estate experts](#) at Liz Carter & Team Realty all know Katy and the surrounding areas thanks to decades of experience in the local real estate market. The company is a third-generation, family-run business that is focused on helping homeowners in the region buy and sell.

The team attributes this to treating each and every client as if they are the most important and only client. They want all their clients to know they are each very important and their business is valued.

“Everyone’s needs and circumstances are different, so we make a true effort to listen to and get to know each client and what their priorities are,” says Broker-Owner Sandie Acord, who started her real estate career in 1999 with her Great Aunt Liz Carter as her mentor. Sandie took over the family business when Liz retired. “Clients are usually already on a first-name basis with all our team, so when they walk in to our office they’re greeted with warm smiles and feel right at home.”
