

Dentist Dishes Details on Dental Implants: What You Need to Know

Coulter Family Dentistry website gives unbiased info to explain the pros and cons of dental implants vs. bridges including cost, timeline

MISHAWAKA, IN, UNITED STATES, October 15, 2019 /EINPresswire.com/ -- Coulter Family [Dentistry](#) of Mishawaka is well-known as one of the area's leading dental practices featuring a

pain-free, IV Dental Sedation option for virtually any dental procedure. Now, the practice is helping to alleviate the pain of deciding what procedures are best by expanding the scope of its online information resources, starting with [Dental Implants](#).

Dr. Brian Coulter, DDS said, "Our expanded web page explains the benefits of dental implants and helps to answer the question of whether a dental implant or a dental bridge is best, based on the overall condition of each patient."

The website developers at Precept Partners note that the Coulter Family Dentistry Dental Implants page includes information on facial bone loss, and how a dental implant can help a person avoid looking prematurely aged. The page also includes multiple "pre-op" and "post-op" photos of Dr. Coulter's patients who have had the procedure that show the dramatic difference dental implants can make.

The Coulter Family Dentistry website also provides helpful textual information, photographs and videos designed to inform and educate patients about procedures performed by Dr. Coulter:
