The event culminated with a celebratory dinner event Saturday night at restaurant Bar Loi in Montreal. The evening's program included an award presentation to Make-A-Wish VT and moving speech by Maureen Eddy, a past wish recipient, who shared what having her wish granted meant to her. Jamie Hathaway, President and CEO of Make-A-Wish Vermont, said, "When Rally 2 Give approached us, we knew this partnership would be a successful one because our organizations share the same values of communities helping families and the importance of fun and joy in all that we do. Because of the efforts of the Rally 2 Give community, we are better able to do what we do: make wishes come true for kids and families in need".

“

This year's rally has inspired us more than all others--all in support of Make-A-Wish VT and the many causes and organizations Rally 2 Give supports throughout the year.”

Rick St. Jean

This year's fall rally gathered 30 drivers who traveled from Boston, through the beautiful White Mountains of New Hampshire in peak foliage, to Montreal. While in Canada participants choose to personalize their stay: some taking

a scenic drive through Quebec's Laurentian Mountains and into Mont-Tremblant, a world-famous resort town; others touring the city of Montreal, and adventure-seekers enjoying go-karting.

It was an unforgettable journey and, more importantly, the catalyst for significant fundraising for the many causes Rally 2 Give supports throughout the year. Rick St. Jean commented, "This year's rally has inspired us more than all others. We've added new friends, spent memorable time together enjoying the road, the camaraderie, and the heart-touching stories, beautiful spaces and culinary wonders--all in support of Make-a-Wish VT and the many causes and organizations Rally 2 Give supports throughout the year. We're already looking forward to Rally 2 Give's 2020 events."

Rally 2 Give's Fall Rally was graciously sponsored by StingHD, ACI Dynamix, Gumball 3000 Foundation, Commonwealth Financial Group, A&S Italian Fine Foods, Greenleaf Energy Solutions and Edward G. Sawyer Co., Inc.
