

Dedicated Developers Named One of the Top Mobile App Development Companies in Today's Market by Business of Apps

Dedicated Developers was recently included in the prestigious Business of Apps top mobile app development company guide, which lists top mobile app developers.

ALPHARETTA, GEORGIA, UNITED STATES, October 16, 2019 /EINPresswire.com/ -- Dedicated Developers has received yet another app development award – this time being selected as a top mobile app developer by Business of Apps.

Business of Apps, located online at businessofapps.com, is a leading media and information brand for the app industry.

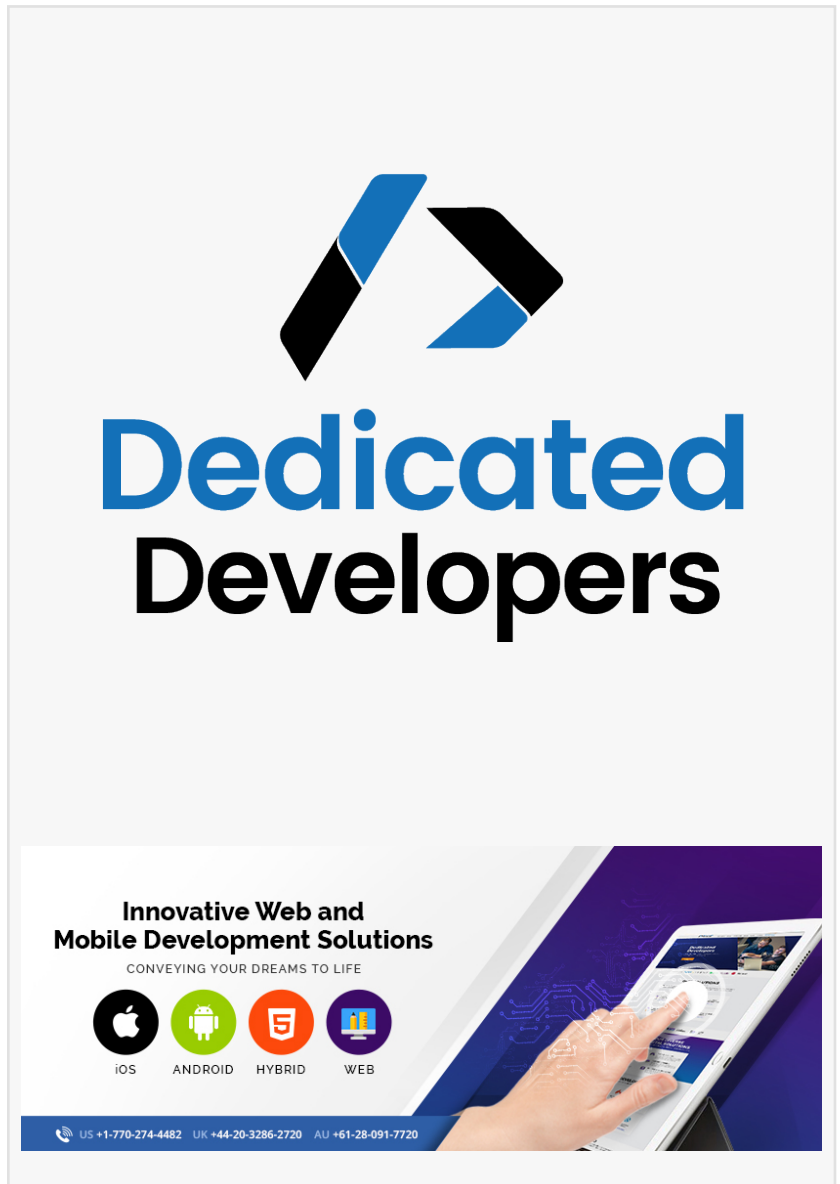

The company provides news, analysis, data, and marketplaces for app businesses. It was founded in 2014 and has since built a reputation for being an essential resource for people building, marketing and monetizing apps.

The Business of Apps website currently reaches a global audience of over 200,000 app industry professionals a month.

The company's [Best Mobile App Development Companies \(2019\) Guide](#), of which Dedicated Developers is now a member, lists the best app development companies from multiple geographies.

Companies are chosen for inclusion in the guide based on having a proven track record and a diversified portfolio. Additional things Business of Apps considers include:

- Ability to code for iOS, Android, Windows Mobile or go cross-platform and build a hybrid app
- Strength of UX/UI design
