

# The Aston Baker Cutting Edge Aesthetic Surgery Symposium will be held December 5-7, 2019 in New York City!

NEW YORK CITY, NEW YORK, USA, October 31, 2019 /EINPresswire.com/ -- Internationally acclaimed plastic surgeons Dr. Sherrell J. Aston and Dr. Daniel C. Baker are proud to invite you to the Aston Baker Cutting Edge Aesthetic Surgery Symposium, "Achieving Superior Results, Avoiding Complications and Managing Revisions", which will be held this December 5-7, 2019 at the Marriott Marquis in New York City.

The 2019 Symposium is a uniquely designed and innovative educational experience. Our Course Chairmen have invited an esteemed faculty of surgeon educators to present the most advanced clinical applications of established procedures and innovative new technologies for facial rejuvenation and total body sculpting.

The program features 74 Lectures, 7 Panels, 10 Point/Counterpoint Debates, 4 Surgical Video Presentations and an Open Forum with the Faculty.

Attendees will see the hands-on work of our world-renowned faculty of international experts.

The lectures will be highly edited to highlight the key steps of advanced techniques for face and body rejuvenation and contouring with a focus on avoiding complications and managing revisions.

Seven panels will explore methods for facial and body rejuvenation and sculpting, comparing the complexity of procedures, technical details, longevity, complications and patient safety issues.

Ten Point/Counter Point lectures will encourage debate between faculty members on philosophy, techniques, and controversial areas.

An Open Forum with the Faculty will permit audience participation, questions and discussion. Patient safety, complications and long term results will be stressed throughout the symposium.

This activity has been planned and implemented in accordance with the Essential Areas and
