A US Navy Veteran with mesothelioma in Delaware might get over a million dollars in financial compensation. The

compensation depends on how, where and when the person with mesothelioma was exposed to asbestos, as well as the quality of the lawyers representing the person with this rare form of cancer caused by asbestos exposure. As the Delaware Mesothelioma Victims Center would like to discuss anytime at 800-714-0303,

"We have endorsed the law firm of Karst von Oiste and their founding partner Erik Karst because these remarkable lawyers consistently get their clients the best compensation results."
