The Massachusetts Mesothelioma Victims Center fears that most people with mesothelioma in Massachusetts will not get properly compensated because they hired a local car accident lawyer or unknowingly hired a middleman mesothelioma marketing law firm. The biggest mistake a US Navy Veteran, a skilled trades worker such as an electrician, a welder or a plumber with mesothelioma in Massachusetts or their family can make is to impulsively hire a lawyer or an Internet 'nothing down' law firm. "We have endorsed the law firm of Karst von Oiste for people with mesothelioma in Massachusetts as we would be happy to discuss anytime at 800-714-0303." <https://Massachusetts.MesotheliomaVictimsCenter.Com>

The Massachusetts Mesothelioma Victims Center is also offering to assist a person with mesothelioma in Massachusetts to develop what they call the list. The 'list' documents how, where and when a person with mesothelioma was exposed to asbestos. "As we would like to discuss anytime at 800-714-0303 it is this incredibly vital information that becomes the basis for a mesothelioma compensation claim- and we will help a person with mesothelioma anywhere in Massachusetts to catalog this information. There is no charge for this unsurpassed free service."
