

Hot tub filters - the new generation - EGO3

TRUST YOUR EGO³ Filter! The only hot tubfilter with 4 months MONEY BACK WARRANTY if you are not satisfied.

ATLANTA, USA, October 17, 2019
/EINPresswire.com/ -- EGO3 [hot tub filters](#):

1. filter cheaper

YES, washable, reusable and it only needs to replace the filter material by simply replacing the filter balls and not the whole [hot tub filter](#) every time. can be exchanged. SAVE MONEY and relax! And if you throw away the filter material each time and replace the dirty balls with new ones, it is still cheaper and you save time. SAVE TIME and relax!

2. filter more reliably

YES, since EGO³ whirlpool filters can hardly clog up, due to the unique Twirling Technology and therefore always filters with an enormously large 3-dimensional filter volume. NO STOP - 3D FILTERVOLUMES, only whirlpool filters from EG SpaSolutions GmbH offer this.

3. easier to clean ☐

YES, the cleaning is extremely easy like with a sponge. How the EASY SQUEEZE TECHNOLOGY works can be seen on the underside "Cleaning the [hot tub filter](#)". EGO³ hot tub filters are the easiest to clean hot tub filters on the market.

4. fine filtering ☐

YES, because EGO³ hot tub filters filter even the smallest particles after only a few days due to the adhesive technology. We're talking about the ZERO DIRT TECHNOLOGY. That means there's 0 dirt in the hot tub. Your hot tub filter from EGO3 filters 100% of the particles! This is absolutely unique!

5. filter longer

YES, due to the huge cylindrical 3D filter area, EGO³ hot tub filters can absorb much more dirt. We call that the 3D-HIGH VOLUME FILTER TECHNOLOGY!

6. keep the dirt in the filter □
YES, as the particles are sucked into the filter interior, they remain in the filter even when turned out. And according to a popular saying in Las Vegas. only hot tub filter manufacturer say: What happens in an EGO3 filter stays in an EGO3 filter! All dirt remains in the EGO³ hot tub Filter!

7. filter more environmentally friendly

YES, by PET RECYCLING
FILTERMATERIAL (Made in Germany)
and reusable filter cartridges. We
protect the environment! No other hot
tub filter can do so!

Get clearer water with our spa filters

Conventional hot tub filters have a number of disadvantages. They are very difficult to clean, clog very quickly and cost a lot of money to replace. We all know that. And so we've come up with something new. A hot tub filter that no longer has all these disadvantages. hot tub filters from EGO3 are the latest development in the filter market and help you to Save time, money and nerves. You protect the technology of your hot tub and simply deliver a better filter result.

More than 20,000 satisfied EGO3 hot tub filter customers in the first four years!

Trust your EGO3 hot tub filters!
