

Maritime Space Domain Awareness to be discussed at Maritime Reconnaissance and Surveillance Technology 2020

Smi Reports: Leading experts to brief on Maritime Space Domain Awareness at Maritime Reconnaissance and Surveillance Technology 2020 in Rome, Italy

ROME, ITALY, October 21, 2019 /EINPresswire.com/ -- SMi Group is delighted to present the return of [Maritime Reconnaissance and Surveillance Technology conference for its 5th](#) year, taking place on 5th – 6th February 2020 in Rome, Italy. As the only Maritime ISR meeting in Italy with a specific focus on [Maritime Space Domain Awareness](#), the conference will bring together the widest range of expert nations to discuss key operational and technological challenges facing navies and other maritime organisations, as they resolve to monitor the sea and protect their borders.

This year, the conference will be chaired by Vice Admiral (ret'd) Duncan Potts, Former Director General Joint Force Development and Defence Academy, UK Armed Forces. Maritime Reconnaissance and Surveillance Technology will additionally feature an array of experts from leading nations presenting on a range of topics, including how navies and maritime organisations can improve their maritime situational awareness and intelligence at sea to enable comprehensive maritime domain awareness.

[Featured speakers discussing space based ISR at sea](#) include:

- Brigadier General Carlos de Salas, Head C4ISR & Space Programs, Spanish Ministry of Defence on 'How to Improve Maritime Domain Awareness with Enhanced ISR & Space Technology'.
- Commander Graeme Smith, Maritime Warfare Centre Information Warfare Commander, Royal Navy on 'Royal Navy Maritime Intelligence and Reconnaissance (ISR) Tactical Developments of Commercial Space Based Multispectral Data for Improved Situational Awareness and Counter-Surveillance Tactics'.
- Mrs Maja Markovic Kostelac, Executive Director, European Maritime Safety Agency on 'Strengthening Safety at Sea through Increased Monitoring of the Maritime Domain'.
- Mr Chris Reynolds, Head of Mission, European Union Capacity Building Mission in Somalia on

Maritime Reconnaissance & Surveillance Technology
