

Info Cubic and Comprehensive Compliance Concepts Announce Strategic Partnership

Info Cubic has partnered with Comprehensive Compliance Concepts LLC to broaden its scope of healthcare-specific compliance services.

ENGLEWOOD, COLORADO, UNITED STATES, October 22, 2019 /EINPresswire.com/ -- Info Cubic LLC is pleased to announce it has entered into a new partnership with Comprehensive Compliance Concepts LLC to broaden its scope of healthcare-specific compliance services.

"Our clients are our number one priority, and Info Cubic is very excited to partner with an organization that shares that same value," said Dan Mayer, Info Cubic's Executive Vice President. "This collaboration with Comprehensive Compliance Concepts will help us continue to provide exceptional service by offering even more compliance-related services specific to the healthcare industry, such as fulfilling the role of risk manager and compliance officer, so our clients can focus on the work they love and have some peace of mind."

An effective compliance program can increase revenue, improve efficiency and reduce costs. The relationship increases access to efficient, accurate background screening solutions and tools needed for a strong compliance program for both organizations' clients.

"Comprehensive Compliance Concepts was founded with the intent to provide our clients with quality service in a cost-effective manner," said Jeffrey Scribner, Founder and Director of Comprehensive Compliance Concepts. "We're looking forward to partnering with another organization that truly loves what they do, and we are excited to offer additional employment screening services to our clients."
