

Gloria L. Williams aka Footnanny Predicted Baby Gender of 9-Month Pregnant Stay-At-Home Mom on The Kelly Clarkson Show

Celebrity Pedicurist Made a Special Appearance on "The Kelly Clarkson Show" to "Insta-Grant" Pedicure Services for Audience Member

UNIVERSAL CITY, CA, US, October 30, 2019 /EINPresswire.com/ -- On October 24, 2019, [Kelly Clarkson](#), a three-time Grammy® Award winning singer/songwriter, mother and America's original idol, and host of "The Kelly Clarkson Show," decided to "InstaGrant" one of her audience members who was 9-months pregnant to the best pedicure on the planet. Clarkson called [Gloria L. Williams](#) aka The [Footnanny](#), the personal pedicurist for [Oprah Winfrey](#).

"When I discovered Gloria, she was not doing cream, she was just doing feet," said Ms. Winfrey. "She is the best pedicurist I have ever encountered." Williams has been Ms. Winfrey's pedicurist for more than 10 years.

Celebrity Pedicurist Gloria L. Williams aka Footnanny uses Reflexology to determine medical conditions and pregnancy predictions.

“

I am certain that most things in the world can be fixed with a great massage.”
Kelly Clarkson, host of "The Kelly Clarkson Show"

To the studio audience's surprise, Williams made a grand entrance sitting on a Pedicure Throne. "It was an amazing experience to be the center of attention, but I was prepared to perform an unforgettable pedicure and old-fashioned rubdown as part of the audience member's wish," said Williams. "I used the Footnanny foot tub liners and basin manufactured by www.belava.com," she said. "This special on-the-air pedicure service was conducted with safety and the best sanitation set-up available."

Clarkson's special audience member was pampered by Williams during the entire show hour. "I gave her my signature Footnanny 2000 Treatment with a pedicure and a Chanel Manicure," said Williams. "Kelly wanted nothing but the best for her guest." Footnanny 2000 Treatment is a customized technique that combines 2000 total strokes of Thai, Reiki, Reflexology and the old-fashioned rubdown. This is the ultimate level of foot-to-knee massage.

"I used my Footnanny Mommy Lite Lavender, Peppermint and Unscented Creams which are Leaping Bunny Approved," said Williams. Footnanny creams can be used on the entire body and the essential oil blend delivers a feeling of relaxation and care.

During the pedicure service, The Footnanny made a prediction of the expectant mom's baby's gender. "I believed her baby would be a boy based on her glow and the feel of her feet," said Williams. The mom-to-be had no clue about her baby's gender and could not wait to find out if the Footnanny was right. One week after the show, the expectant mother delivered a boy.

"It was an honor to appear on a show that recognizes everyday people and beacons of hope in communities across America," said Williams. "My mission is to inspire others to pursue their dreams in the nail tech world and share my gift of the old-fashioned rubdown handed down to me by my dearly departed mother."

The Footnanny gifted the entire studio audience with Footnanny Rose and Tea Tree Creams which were two of O The Oprah Magazine's Favorite Things 2014 and 2016 Holiday Collection. Shop for Footnanny Mommy Products at Macy's and Footnanny.com.
