

The Hestia Design and Construction Scholarship

Full service Houston Design & Build firm to offer annual scholarship to students interested in studying interior design, architecture, or construction science.

HOUSTON, TEXAS, UNITED STATES, October 23, 2019 /EINPresswire.com/ -- [Hestia Design and Construction](#) is proud to announce its annual scholarship program to be awarded for the upcoming 2020 semester. Hestia has so much passion for endorsing and promoting individuals who represent key values and qualities that add to the growth and development of the general contracting, interior design, and architecture industry.

Here at Hestia Design and Construction we pride ourselves in our exemplary customer service and especially in our ability to construct a beautiful full home, kitchen, bathroom and more remodels. We have positioned ourselves as one of Houston's preferred general contractors and remodelers as we push the boundaries of what a typical contractor has to offer. That exact boundary-pushing mentality is what we believe will continue to advance our industry and we want to invest in individuals who represent and exemplify those traits.

We have set up a \$2,000 scholarship program for men or women who have a passion for interior design, architecture or construction science. Individuals with these interests or focuses are welcome to submit their application and essay if eligible. See below.
