

Softlink IC exhibits at the 2019 IALL October 2019 Conference in Sydney

The opportunity to exhibit at an IALL conference in Australia doesn't come along every day.

BRISBANE, QUEENSLAND, AUSTRALIA, October 23, 2019 /EINPresswire.com/ -- Softlink Information Centres (IC) will be exhibiting at the 2019 International Association of Law Libraries (IALL) conference in Sydney. The opportunity was too good to miss!

To ask why we need libraries at all, when there is so much information available elsewhere, is about as sensible as asking if roadmaps are necessary now that there are so very many roads"

Jon Bing

Technical Services Manager Sarah Thompson is excited to be a part of the conference and looks forward to catching up with some of our [Liberty](#) and [illumin](#) customers. She is also keen to meet up with librarians and knowledge managers who would like more information on either, or both, of our products. We are very proud of them and Sarah is always happy to show them off!

What more could you want? Between an impressive list of distinguished speakers and interesting topics, in a city with

so many things to see and do, the conference promises to be a wonderful experience for everyone. We look forward to seeing you there.
