

# Sold Out Bruce Springsteen book – ‘For You’ Is Being Re-Released December 2019

---

*Did you miss out on owning one of the best-loved Bruce Springsteen books of the last ten years? Over 400 photos and 200 stories from his dedicated fans*

NEW YORK, NEW YORK, UNITED STATES , October 24, 2019 /EINPresswire.com/ -- For You Original Stories and Photographs by Bruce Springsteen's Legendary Fans is a [limited edition book](#) first published in 2007. It has been sold out since 2009. What the previous book promised is what we are getting set to deliver, again. This reprint of the book is a new item for you to consider adding to your collection of Bruce Springsteen cherished books.

The original volume took over two and half years in research and production, and includes hundreds of stories and anecdotes written by his legendary fans, as well as over 400 photographs, most of them never previously published.

Editor Lawrence Kirsch said: "Being a life-long Springsteen fan myself, I recognized there was a pent-up desire for fans to come together and share. Something magical happens at a Springsteen concert. Each concert is like a huge family reunion, even though in all reality you actually know very few of the people there. Complete strangers connect with an immediacy that is tangible."

"So, in 2005 I came up with the idea for this book and set up a web site called: For You Bruce to confirm if my theory was correct. I asked fans to write in with their experiences, and I was simply amazed by the response. Over 1500 fans from across the globe submitted stories and anecdotes to the website. It was difficult to make the final selection."

Unfortunately, there was no way to include them all. All I can offer is that the experiences and memories that are there are representative of so many other stories we received. Fans will be able to identify and relate through the memories of others. I promise you there is something for everyone in this book."

Although Kirsch requested the stories be submitted in English, he did in fact receive a number of stories in a wide variety of the world's languages. So, to underscore the fact the music made by Bruce Springsteen and the legendary E Street Band, the Sessions Band - as well as the other musicians and performers with whom he has played, does indeed cross the language barrier, touching fans across the globe, Kirsch has scattered throughout the book some stories written in languages other than English. His personal recognition For You - the fanatical Springsteen fan, no matter what language you actually speak.

"I wanted everyone to feel included," said Kirsch, "so these non-English language stories serve as reminders that the Boss has a worldwide fan base and his music and the Bruce Springsteen concert experience transcend the boundaries of one specific language."

About the book

[Pre-Order starts October 2019](#)
