OCTOBER 26th HACKATHON SOFTWARE SHOWDOWN HIGHLIGHTS AREA'S FAST-GROWING TECH COMMUNITY

Competition's Unique Format Allows Programmers to Showcase Previously Built Software Projects to Compete for the $500 Grand Prize

MODESTO, CA, UNITED STATES, October 24, 2019 /EINPresswire.com/ -- Competition's Unique Format Allows Programmers to Showcase Previously Built Software Projects to Compete for the $500 Grand Prize

The Valley Hackathon Software Showdown will take place on Sat., Oct. 26, from 3:00-8:00 p.m., at ValleyWorx, 4701 Stoddard Road, Modesto, Calif. Presented by Valley Hackathon and Bay Valley Tech, this fun event offers friendly competition and networking, plus an opportunity to win thousands in cash and prizes.
Unlike typical hackathons, the Software Showdown allows competitors to enter software projects from previous hackathons, prior school projects or other professional work. Competitors must have rights to any projects entered in the Software Showdown, and projects cannot contain any confidential client information without expressed written consent.
