*Lewis Created No Cost Social and Emotional Learning Programs after 6 Year Old Son was Killed at Sandy Hook Elementary*

SANDY HOOK, CT, USA, October 24, 2019 /EINPresswire.com/ -- The [Jesse Lewis Choose Love Movement™](#) announced today that Scarlett Lewis was presented with the [2019 Global Presence Humanitarian Award](#) by the Global Presence. Scarlett Lewis founded The Jesse Lewis Choose Love Movement, a nonprofit organization dedicated to Social and Emotional Learning, after who lost her six-year-old son in the Sandy Hook School tragedy.

On December 14th 2012, Newtown Connecticut mother Scarlett Lewis endured an unimaginable trauma - the murder of her six year old son, Jesse, along with 19 of his classmates and six faculty members at Sandy Hook Elementary. The next day Scarlett discovered something powerful. Jesse had written three words on their kitchen chalkboard,

“Norturting Helinn Love.”

“

Days prior to the tragedy, Jesse wrote on a chalkboard at home: “Nurturing. Healing. Love.” We understand these final words as a calling from Jesse and inspiration to create the Choose Love Movement.”

Nurturing healing love, spelled phonetically by her six year old because he was in 1st grade and just learning to write. These three simple words illuminated Scarlett’s path forward. If societies around the globe could provide proactive math literacy education by qualified professionals to children, teens and adults, so too could they provide emotional literacy education.

The result of her inspiration is the Choose Love Enrichment Program™, a no cost Infant, Toddler, and Pre-K through 12th grade, Lifespan, Character Development, next generation Social and Emotional Learning program that teaches educators and their students how to choose love in any circumstance and helps them

become connected, resilient, and empowered individuals. The [Choose Love Enrichment Program](#) has been downloaded in all 50 states and Washington DC and in 90 countries - reaching an estimated 1,600,000 students.

On Saturday, October 5th, Dr. Daniel Ibarrondo, Vice President of the educational non-profit group The Global Presence, presented Scarlett the 2019 Global Presence Humanitarian Award at the Lewis' family farm in Sandy Hook, Connecticut. The Global Presence supports 21st century education for 21st century Life Skills around the globe. Prior recipients of the award, given annually to Life Skills pioneers that contribute magnanimously in the Life Skills arena since 2012, reside in Europe, India, and Australia as well as North America
