

Scottie Jeanette Madden Launches National Tour to Promote Her New Cookbook "RECKLASS IN THE KITCHEN"

Scottie Jeanette Madden's new cookbook "Recklass In The Kitchen a year of light, laughter & love...oh, and food!" chronicles a thirty-two year love story.

LOS ANGELES, CA, UNITED STATES, November 5, 2019 /EINPresswire.com/ -- ZUZUBEAN Press is delighted to announce that author [Scottie Jeanette Madden](#) ("Getting Back to Me": from girl to boy to woman in just fifty years) will launch her national book-tour this month in Silicon Valley to talk about her new cookbook chronicling a thirty-two year love story, Recklass In The Kitchen a year of light, laughter & love...oh, and food!

"I'm hoping to inspire the "home cook" - American cooking right now is lead by the commercial food networks - just look at the glut of food blogs that are trying to emulate what we see on TV. But real cooking, keeping your home on track as you try to celebrate life is really what it's all about. It's not about the latest gadget as all good home cooks know - it's about cooking from your heart. Love is the most important ingredient!"

With this as the central core of the Madden home, Scottie Jeanette describes the "Recklass Kitchen" (a philosophy, strategy, and religion all rolled into one) through a year of dinner parties & holiday celebrations (with both unique spins on classic recipes and bold, inventive dishes) from the home of one of the greatest love stories ever lived.

Mrs. Madden lays it all out in 13 months of menus and recipes that run from elegant holiday treats and dinners to backyard bar-b-ques and everything in between, with humor, warmth and the accompanying pathos of life.

We could not have said it any better than this review by Melissa, on Amazon: "Reckless in the Kitchen is so much more than a cookbook. Scottie writes like she cooks—with equal parts of style, honesty, drama and whimsy. She bares her soul in the kitchen and on the page, sometimes hilariously, sometimes gut-wrenchingly. While she takes us along for a year's worth of decadent and delightful culinary celebrations, she is also offering us an intimate look into a year in her transition. I will always find inspiration in this woman's creativity, resilience, and heart."
