

Sajith Premadasa will take revenge on Tamils?

NEW YORK, NEW YORK, USA,
November 6, 2019 /EINPresswire.com/
-- When Sonia Gandhi came to power,
she wanted to kill Tamils as many as
possible. The reason behind her
thinking was the perception that Tamil
Tigers were behind the killing of her
husband Rajiv Gandhi. Still many
believe that instead some business
people were involved in the plot to kill
Rajiv Gandhi. We do not know much
about it, so let us not go there.

The fact is that Sonia wants to take
revenge on the Tamils as the
presumptive killers and their
supporters.

When American president George H.W.
Bush went to Kuwait in the 1991 war
with Iraq, Iraq was defeated. Iraq's
Sadam Hussein had plotted to kill
Bush. When Bush's son became
president, he started a war with Iraq to kill
Sadam Hussein and did so.

Now we have seen two leaders who took revenge, Sonia Gandhi for the killing of her husband
and George W. Bush for the plot to kill his father.

President Premadasa was assassinated in 1993. We have heard many allegations, of possible
killers are from Sinhalese political enemies or enemies who were affected by Premadasa's
medieval behaviors. Tamil Tigers were the whipping boy in every horrible story in Sri Lanka. All
political killers have used the Tamil Tigers as their scapegoat.

The final story that was heard in the 1990s was that the Premadasa's killer was supposedly the
Tamils or a Tamil Tiger.

When people come to ultimate power like the younger Bush and the wife Sonia Gandhi, they
have taken revenge on the presumptive assailants.

What about Sajith Premadasa? Will he try to take revenge on Tamils?

If so, what he could do?

As he said before in the election campaigning meeting, Sajith will strictly implement the Unitary
State and Foremost Place to Buddhism. The PTA will be strong, meaning more Sinhalese
settlements, more Buddhist Viharas in the northeast of Sri Lanka.

Since the UNP is friendly with western nations, the western nations will not intercede to stop any

human rights violations or ethnic cleansing.

Tamils should not think about voting for Sajith or any Sinhalese candidates but instead strongly support the Tamil presidential candidate.
