The prestigious award is respected and trusted by parents worldwide and is the ultimate source for education professionals seeking the best products and books for children. The NAPPA Awards, nearing its thirtieth year in existence, seeks to find and showcase the best toys, baby and family products and books. As one of the longest-running awards programs in the country, NAPPA is the "go-to" source for those seeking the best products for children.

"I'm thrilled that Miss Olive's story has been recognized by the National Parenting Product Awards," said author Susan Marie "It's my love of all of the rescue and foster animals I've had in my life - and those that I have helped to find their forever homes - that inspired me to tell Miss Olive's story to children. It means so much to me that Miss Olive is teaching children that one of the greatest gifts a shelter/rescue animal can receive is their forever home."

Miss Olive Finds Her Furever Home follows a little Italian Greyhound with three legs who is alone in an animal shelter. She dreams of being adopted by a loving family. On her journey to find her forever home, Miss Olive feels love and kindness from her foster mom and finds friendship with other animals who are waiting for adoption. About Miss Olive:

Miss Olive Finds Her Furever Home is the first book in a trilogy about the adventures of Miss Olive, an Italian Greyhound rescue. The real Miss Olive was adopted in 2015 by author Susan Marie from Italian Greyhound Rescue of the Gulf Coast. Miss Olive was a victim of neglect and health issues, having lost her teeth due to lack of medical attention and one of her legs to cancer. The neglect and illness that she experienced has never affected her loving, gentle spirit; she is always ready for a snuggle.

Miss Olive joins Susan Marie at the microphone each week as the co-host of the radio show, The Doggy Diva Show airing on Pet Life Radio. Along Florida's Suncoast, the name Miss Olive is synonymous with the bringing together of homeless pets to loving families everywhere.

Miss Olive Finds Her Furever Home is available on Amazon and BarnesandNoble.com.
