*The giveaways continue during Appliances Connection's 2019 Black Friday event! One lucky person will win a refrigeration unit from luxury brand, XO Appliances.*

BROOKLYN, NY, USA, November 8, 2019 /EINPresswire.com/ -- The [Appliances Connection 2019 Black Friday event](#) continues throughout November. So too do our giveaways. We'll start accepting entries for our second go 'round one on 8 November. One lucky winner will have a choice between two refrigeration units from [luxury brand, XO](#). On offer is a 15-inch wide, 34-inch tall beverage center [XOU15BCGS] or a wine cooler [XOU15WGS] with the same dimensions.

Holiday season is upon us and that means entertaining family and friends. A soiree isn't complete without everyone's favorite drinks on hand. Are all your guests wine connoisseurs? The XO wine cooler is exactly what you need. It has a capacity for up to 34 standard bottles. Intuitive touch panel controls let you precisely set the temperature from 41 degrees F for Gewürztraminers or sauvignon blancs to 64 degrees F for syrahs or pinot noirs (Well, you want it a bit cooler for the last one.). UV blocking low-e glass and vibration dampening will prevent any detrimental side effects from sunlight or unfit sedimentation. Full telescoping racks provide easy access.

Is your gathering an all-ages affair? As previously mentioned, the giveaway winner also has the choice of a beverage center. Its three levels are extremely spacious with room enough for up to 66 12 oz cans. However, the upper two shelves are adjustable to 15 different positions and can accommodate items of any height. For guests still in the mood for a more adult beverage, the center comes with a wine cradle for three standard bottles. If you need to store something like a charcuterie plate, the beverage center features XO's proprietary XActive Circulation which
