

VALiNTRY Ranked as 480th Fastest Growing Company in North America on Deloitte's 2019 Technology Fast 500™

Company is one of only 16 Florida companies to make this year's list

WINTER PARK, FL, USA, November 11, 2019 /EINPresswire.com/ -- VALiNTRY today announced that it ranked No. 480 on Deloitte's Technology Fast 500™, a ranking of the 500 fastest growing technology, media, telecommunications, life sciences, and energy tech companies in North America now in its 25th year.

VALiNTRY grew 180% to make the prestigious list and was ranked No. 202 on the Technology Fast 500™ in 2018. Overall, 2019 Technology Fast 500™ companies achieved revenue growth ranging from 166 percent to 37,458 percent from 2015 to 2018, with a median growth of 439 percent.

VALiNTRY's CEO, Daryl Dixon, credits the company's V-FiTT technology, putting clients' first, and the dedication of the VALiNTRY team as the primary catalysts for the company's continued revenue growth. He said, "We believe that technology, when applied responsibly, creates jobs, drives profitability and improves the state of the world. At VALiNTRY, we are fueled by technology and driven by people who are inspired by the unique mission of our clients. Our dedication to these beliefs helped us to develop the powerful V-FiTT technology and has accelerated the growth of not only VALiNTRY but of our clients as well. It is truly an honor for our values and efforts to once again be recognized by Deloitte through our inclusion in the Technology Fast 500 list."

"As technology innovation trends towards 'everything as a service,' it's no surprise that software companies dominate the winners list yet again this year," said Mohana Dissanayake, partner, Deloitte & Touche LLP, an industry leader for technology, media, and telecommunications, within Deloitte's audit and assurance practice. "What's exciting about celebrating 25 years of the Tech Fast 500 is we now have a quarter-century of innovation stories to draw and reflect upon. These are the companies that push boundaries, help organizations become more efficient and productive, and ultimately enable businesses to drive growth and revenue. We congratulate all the well-deserving winners."
