Alter's fellow colleagues who attended consisted of over 100 leaders within the medical community. Such colleagues consist of plastic surgery doctors Michelle Lee, Neal Handel, Kevin Tehrani, and Shan Taheri.

"I think this opening was one of the best openings I have attended. Everything went smoothly and right on time, something that can easily go wrong with openings," states publicist Michael Levine, who was in attendance at the party.

The Stem Cell Doctors of Beverly Hills was formed on the basis to give regenerative and innovative treatments that help peoples' bodies restore themselves. The team of doctors available are able to make clinical judgments determined by the specific needs and desires of each patient.

"Incredible doctors, beautiful facility and patient setting, and an awesome staff," concludes Dr. Gary Alter, "the center is professional and personal, a perfect balance."
